Ben Tunny**

#24 Ben Tunny—This son of 2003 World Figure 8 Champion Bill Tunny Jr has dreamed of competing on the Speedrome surface since he was old enough to stand. In only five seasons, Ben Tunny has developed into a championship contender. He has four straight top ten standings results with a best of 4th twice. Eight total feature wins are highlighted by last year's Sonny Thompson Memorial Figure 8 victory. It came on the night his grandparents entered the track Hall of Fame.
