

**#13th Greatest Driver of Pro Stock/Late Model History
Bobby "20K" Douthitt**

#13 Bobby Douthitt—This family man went from the stands rooting on Mike St John to racing on the Speedrome surface. A 1994 sophomore season runner-up Figure 8 result to his idol got his eye on the title. Five years later he stood side-by-side with Jack Dossey Jr with two minutes to go in the One Hour Figure 8, winner take all for the season championship. Bobby won that race for the crown. He won 17 Figure 8's and 9 oval features before his retirement in 2004.
