

**#10th Greatest Driver of Pro Stock/Late Model History
Charlie Reed**

#10 Charlie Reed—This Whiteland Warrior came to the Speedrome after success on the dirt tracks and drag strips across the Midwest. This 1984 championship car owner had four runner-up and four third place points finishes as a driver. His 26 seasons have produced 38 Figure 8 and 27 oval feature wins, both sixth on the all-time lists. Charlie captured gold in the season ending One Hour Figure 8 in 1989 and 1992. Reed's successful years bridge the gap between the Arnold/St John decade to the Dossey/Lee era.
