

**#15th Greatest Driver of Pro Stock/Late Model History
George Sutton**

#15 George Sutton— This man had a huge presence at the Speedrome that we have all missed since his passing on January 30, 2006. The always-fast driver from Kentucky made his racing home here for more than 25 years. His 3rd place 1984 points finish saw him break Wayne Arnold's 11 Figure 8 victory streak on July 28th. His strength on the left turn only course was impressive with 23 wins ranking him 9th on the all-time list. And he was always a regular in the trophy dash. We miss you George. Your wisdom and love for the Speedrome will not be forgotten. You helped me make effective decisions and understand how to run the race track. Allowing the racers to re-enter 25 lap races, cancelling rainy event nights were just a few of his influences. A great man and a great racer.
