Mike St. John**

#4 Mike St. John—“You may love him, you may hate him, but you can’t ignore him, he’s Mike St John”, was the phrase coined by the legendary Kevin O’Neal. It was the perfect statement describing the 2004 Speedrome Hall of Fame inductee. The three-time champion and six-time season runner-up ranks second on both the oval (41) and Figure 8 (94) wins list. The youngest of the St John brothers topped his favorite race, the Sonny Thompson Memorial Figure 8, a record 6 times. This 1981 rookie-of-the-year’s long rivalry with Wayne Arnold shines in the history of the Speedrome.
