

IRL SAFETY TEAM RETURNS FOR WORLD FIGURE 8 AT SPEEDROME

Blood Hound Underground Indianapolis Speedrome™
Indianapolis, Indiana
July 31, 2008

"The World's Home of the Figure 8"® announced today that the IRL Safety Team has committed to the Speedrome for the 32nd Annual World Figure 8 Championship in September. Mike Bray IRL Fire & Safety team coordinator says, "We are glad to be back for our sixth consecutive season at the Blood Hound Underground Indianapolis Speedrome™." The Daytona of Figure 8 racing will showcase the talents of the best crossover gladiators in the country from September 4th to the 6th, 2008.

Between the Speedrome Track Crew and the IRL Safety Team, competitors know that should an incident requiring prompt attention occur, be it track cleanup or attention at the scene of an accident, this combined unit will provide rapid response. They are an experienced group, with members averaging 20 years experience working with either the IRL Safety Team that travels with the series or the Indianapolis Motor Speedway Fire and Safety team.

In 1977 they said this race couldn't be run, a three hour-long Figure 8 contest. No car will last and no driver will last is what everyone said. Now in its thirty-second year, the World Figure 8 Championship is a racing classic. A three-day reserved seat ticket is only \$30 and is the best value in all of short track racing! For ticket information call the Speedrome hotline at (317) 353-8206 and one of our ticket brokers will get with you as soon as possible. Don't let this historic evening pass you by!

The Blood Hound Underground Indianapolis Speedrome™ is located near the intersection of Brookville Road and Kitley Avenue on Indy's South East Side. For more information please log on to www.speedrome.com or call the Speedrome Hotline 317-353-8206.

The Indianapolis Speedrome is the home of the \$20,000 to win 32nd Annual World Figure 8 Championship September 4-6, 2008
