

SPEEDROME TO WITNESS SKID PLATE RACES AT CRASH-A-RAMA SERIES

Indianapolis Speedrome®
Indianapolis, Indiana
May 6, 2010

The Home of the World Figure 8® has one of those do-not-miss events ahead on the 2010 racing calendar. On Sunday May 30th, the Crash-A-Rama Series will bring the hammer down. The spectacular at the Indianapolis Speedrome® will be a true Night of Destruction! The evening's full-throttle agenda includes a School Bus Figure 8, Skid Car Race, Boat & Camper Trailer Race, Heavy Metal Auto Roller Derby, a Fireworks Display, a Jimmy Elvis Stunt Show, and much more! In the past, these highly entertaining shows have led to a full grandstand at the famed facility and this should be no different. Advance VIP Reserved Seat discount tickets are available, so get your tickets today.

For the first-time in the track's 69 years, it will play host to Skid Plate Racing. This wild and wacky form of motorsport will light up the pavement. Here is how it works. Teams will first begin with a standard front wheel drive car, truck, or van straight of the city streets. The crafty mechanics will then replace the rear axle and wheel assembly with a shiny flat steel plate face down on the ground. This effect brings a unique challenge to the driver of this now altered vehicle. The front wheels will pull the load and steer the ride while having to drag the back end around the fifth-mile course sending sparks into the sky. It is going to be a real treat to watch.

"I can't wait to get our series to the Speedrome", said Crash-A-Rama Series president Robert Hart. "Indianapolis is the motorsports capitol of the United States and the very popular track is the perfect place to bring our series to the fans". Hart is also the owner Orlando Speed World which hosted a Speedrome promoted Figure 8 race on February 15, 1992 won by the legendary driver Charlie Reed. The Florida entrepreneur also owns the New Smyrna Speedway and Columbia Motorsports Park. The action gets underway at 7:30pm Sunday night May 30th putting a cap on an all-star Memorial Day Speedrome racing weekend schedule that is unbelievable (see a full listing below).
