

RESERVED PIT SPOT PROGRAM CONTINUES AT THE INDY SPEEDROME

March 10, 2010

The World's Home of the Figure 8® would like inform race teams on the reserved pit spot procedures for 2010 at the Indianapolis Speedrome®. This is the 14th straight season for very successful reserved pit location program. A spot will give a team a set place to park each evening no matter the time of their arrival and give them a reserved pavement area to service the racecar. There are two different types of pit spots that can be reserved, one for the Friday night divisions (Legends, Bandoleros, Hornets, Junior Faskarts, and Faskarts) and one for the Saturday night racers (Late Models, Stocks, Roadrunners, and Hornets).

A Friday night pit spot can be purchased at the track during any event. Pit spots are \$100 each. These spots are first-come first-serve and must be paid in full to reserve them. When the Saturday night cars are running with the Friday cars, they will have preference over the Friday spots. Some Friday teams will be moved to a new spot for that evening only. This happens only a few times during the 2010 season.

The Saturday night reserved spots are slightly different. These pit spots are \$275 each. You will have a guaranteed spot for the World Figure 8® Championship, but may be relocated for that weekend. These spots can also be paid for ahead of time as stated above, but the assignment procedure is slightly different.

The assignment of the Saturday spots will be made during a drawing on April 3rd around 3 pm. Your pit spot must be paid for before that time and you must be present to participate in the drawing. The drawing order will be determined first by last year's Late Model points. The top 10 drivers in the 2009 final standings will go first in the order of their finish. Next, the 2009 Stock class champion will have his pick. Then, everyone else that has pre-paid for spots will be brought up at random to select their spot. Remember teams, there are also plenty of non-reserved spots available during every night of the racing season.
