

IZOD INDYCAR SAFETY TEAM BACK FOR 9TH STRAIGHT YEAR AT THE WORLD FIGURE 8® CHAMPIONSHIP

The Pure Power Technologies & UAW World Figure 8® Championship will be held September 8-10, 2011. The safety team effort will be led once again by Mike and Sharon Bray. Their talented and knowledgeable group will consist of Bob Hensley, Jim McCoy, Steve Pryor, Chuck Kemker, and Kenney Whitcomb. These safety team members have on average 20-years experience each of dealing with extreme motorsports situations. Much of these years have been spent as a part of the safety crew for the IZOD IndyCar Series and the Indianapolis Motor Speedway. "We love the World Figure 8® Championship and make it a point to be involved each year", said team coordinator Mike Bray. The Bryant Heating & Cooling Indianapolis Speedrome® is proud to have these great people as part of the 35th Anniversary edition of the Pure Power Technologies & UAW World Figure 8® Championship.
