

CORVETTE INDY TO PACE WORLD FIGURE 8® PARADE OF CHAMPIONS

Bryant Heating and Cooling Indianapolis Speedrome®
Greatest Figure 8 Race on the Planet®
World Figure 8® Championship
Three Hour Endurance Race®
Indianapolis, Indiana

The 35th Annual World Figure 8® Championship Three Hour Endurance Race® presented by Pure Power Technologies & UAW the Greatest Figure 8 Race on the Planet® will be held September 8-10, 2011 at the Bryant Heating and Cooling Indianapolis Speedrome®. Joining the festivities this year will be members of the club Corvette Indy. These devoted fanatics of the famed Chevrolet sports car will have a group of beautiful convertible Corvette's on hand for the crowd favorite Parade of Champions. This series of individual parade laps gives fans a final chance to salute each of the starting field racers during driver's introductions. The pageantry will then continue all the way up until the green flag.

Corvette Indy is a group of individuals who share a common interest in the Chevrolet Corvette. The large and active club is based primarily in the central Indiana area. The membership has a desire to associate with others who love seeing, driving, caring for, restoring, or anything to do with Corvettes. Corvette Indy belongs to the National Council of Corvette Clubs and thus its members not only enjoy the camaraderie of a local club, but also the benefits of belonging to a national organization. The Chevrolet Corvette is built by UAW Local 2164 members in Bowling Green, Kentucky.

"We are so excited about being part of the World Figure 8® Championship", stated club president Patrick Hogan. "It is an honor to usher these brave drivers around the Speedrome. It is also pretty cool to have our cars in front of such a great crowd". The Corvette roster already includes Mike Lewis (Black C4 Convertible), Pam and Jim Kellam (either a Red 2000 convertible or Silver 1975 convertible), Bill Lapham (Dark Grey C5 convertible), and Bill Baird (Yellow C6 convertible). Additional Corvette Indy club activities include car shows, rallies, autocross, swap meets, picnics, conventions, charitable events, parades, homecomings, and so much more. For more information including how to join, visit them on the web at www.corvetteindy.com.

32 drivers make the World Figure 8® Championship starting field earning a spot in the Parade of Champions. That starting grid is assembled with the 24 drivers who locked-in through qualifying races on Friday September 9th. The remaining 8 spots are tacked-on through unlimited time trials on Saturday afternoon. Additional cars will be lined-up as alternates by their qualifying time. These machines will be added individually to the race as cars drop out of the event. In the past, drivers have entered as an alternate and drove their way to a third place finish. Those cars that leave the surface can also return making this the only race that can grow in size as the laps increase. All of this while having to survive the dangerous crossover. Do not miss this motorsports spectacular.
